ILLINOIS COMMERCE COMMISSION

Please state your complaint briefly. Number each of the paragraphs. Please include time period and dollar amounts involved with your complaint. Use an extra sheet of paper if needed.

I bought the property located at 11411 South May in November 1992 from the Veterans administration as investment property. From the time of purchase until March, 2004 the building was uninhabitable and vacant. A need for energy for heating was never needed. In March 2004 contractors were brought in to renovate.

In March 2004 a prospective tenant for this property applied for gas service. The tenant was told that the owner had to provide ownership information and then they could come out and read the meter, check the lines and meter to see if it was operating. I complied regarding their request. The meter was then removed and taken by workers of Peoples Gas. After a couple of days I called to see when the meter would be reinstall and I was told by a Ms. Mathis that gas had been stolen and that a report had to be made. She also informed me that I had to pay for all gas they determine was used. I informed her that I had never had gas service either legally or illegally. She stated that since I was the owner I had to pay.

Please clearly state what you want the Commission to do in this case:

That I be cleared of charges (\$6,000+) that have been false charged by Peoples Gas. And the amount off my credit report.
